

# Great God

Sinach

I praise You forevermore  
Great God, you are God forever  
I worship you forevermore  
Great God, you are God forever  
I praise You forever more  
Great God, you are God forever  
I worship you forevermore  
Great God, you are God forever

Oh God You are my portion  
My help in time of need  
Great God I love to praise Your name  
Oh my I see your glory  
It's more than words can say  
Great God I stand in awe of You

Oh great God You reign in majesty, hey  
You are the king with all the authority  
Oh great God You are eternity, great God

I praise You forevermore  
Great God, You are God forever  
I worship You forevermore  
Great God, You are God forever  
I praise You forevermore  
Great God, You are God forever  
I worship You forevermore  
Great God, You are God forever

Great God, You are the reason I sing  
Jesus, You've turned my life around  
Jesus, You made me a champion  
Jesus, You're the savior of the world  
Great God, You are the bread of life  
Great God, In You I'm complete  
Great God, You are the solid rock  
Great God, great God

I praise You forevermore  
Great God, You are God forever  
I worship You forevermore  
Great God, You are God forever

Great God, You parted the Red Sea  
Great God, You healed the broken hearted  
Great God, You made a way for me, yeah  
Great God, great God  
You opened doors for me  
You filled my mouth with laughter  
Great God, You raised the dead back to life  
Great God, great God

I praise You forevermore  
Great God, You are God forever  
I worship You forevermore  
Great God, You are God forever

You are the reason for life  
I worship You great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God

Come on just lift your hands and worship Him  
This great God gave my life a meanin'  
This great God gave me my healin'  
This great God, this great God gave me beauty for ashes  
And the fact is, this great God is supreme justice, He just is  
And to Him alone I cast my crown and worship  
This great God gives me victories always  
And made manifest the savor of His knowledge through me  
In every place like perfume  
Let the lifting up of my hands be to You  
This great God gave me notable achievements  
This great God gave me significant attainments  
This great God gave me 10 years progress in one  
Come on, lift up your hands and worship this great God

I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God  
I worship You, I worship You, Great God

I praise You forevermore  
Great God, you are God forever  
great God, you are God forever  
i praise You...  
Great God, you are God forever  
I'll worship You forevermore  
Great God, You are God forever  
i paise you, forever  
Great God, You are God forever  
I worship you forevermore  
Great God, You are God forever  
I praise You forevermore  
Great God, you are God forever  
I worship you forevermore  
Great God, you are God forever
