

He Did It Again

Sinach

It is coming from my heart, praise and thanks unto You Lord
For all the things that You have done I'm grateful for Your love, I give You the praise

It is coming from my heart, praise and thanks unto You Lord
For all the things that You have done I'm grateful for Your love, I give You the praise

I'm counting my blessings I just can't keep it to myself when I thought that He had done too much oh oh oh Jesus did it again
I'm counting my blessings I just can't keep it to myself when I thought that He had done too much oh oh oh Jesus did it again

I can't tell it enough oh oh oh oh I shout it loud from the mountain top
I can't tell it enough oh oh oh oh I shout it loud from the mountain top

It is coming from my heart, praise and thanks unto You Lord
For all the things that You have done I'm grateful for Your love, I give You the praise
