

I Live For You

Sinach

You called me by name
Gave me Your word
And it's burning inside of my heart
I'm ready to go
With faith in my heart
Wherever You lead

You call me by name
Gave me Your word
And it's burning inside of my heart
I'm ready to go
With faith in my heart
Wherever You lead

I live for You Jesus
I glorify Jesus
I shout Your fame Jesus
I'm totally committed to You

I speak of Your love
I sing of Your grace
So the whole world will know Your name
I'm ready to go
Announcing Your mercy and Your faithfulness

I speak of Your love
I sing of Your grace
So the whole world will know Your name
I'm ready to go
Announcing Your mercy and Your faithfulness

I live for You Jesus
I glorify Jesus
I shout Your fame Jesus
I'm totally committed to You

No debt, no height, nor anything
Shall separate me, shall separate me
No trouble, trial, persecution
Shall separate me from Your love

No debt, no height, nor anything
Shall separate me, shall separate me
No trouble, trial, persecution
Shall separate me from Your love

No debt, no height, nor anything
Shall separate me, shall separate me
No trouble, trial, persecution
Shall separate me from Your love

No debt, no height, nor anything
Shall separate me, shall separate me
No trouble, trial, persecution
Shall separate me from Your love

I live for You Jesus

I glorify Jesus
I shout Your fame Jesus
I'm totally committed to You

I live for You Jesus
I glorify Jesus
I shout Your fame Jesus
I'm totally committed to You

To You, Jesus
To You, Jesus
To You, Jesus
To You, Jesus

I live for You Jesus
