

## In Awe

Sinach

Seasons come, seasons go  
You never fail, you are faithful  
Kingdoms rise, kingdoms fall  
You never change, everlasting  
Seasons come, seasons go  
You never change, you are faithful  
Kingdoms rise, kingdoms fall  
You never change, everlasting

I stand in awe of You, Majesty  
All that I am, praise You Lord  
I stand in awe of You, Majesty  
I can never praise You enough  
I stand in awe of You, Majesty  
All that I am, praise You Lord  
I stand in awe of You, Majesty  
I can never praise You enough

We praise You, for Your great love  
And wondrous things that You have done  
We offer up a sacrifice of thanksgiving  
We sing for joy  
We praise You, for Your great love  
And wondrous things that You have done  
We offer up a sacrifice of thanksgiving  
We sing for joy

I stand in awe of You, Majesty  
All that I am, praise You Lord  
I stand in awe of You, Majesty  
I can never praise You enough  
I stand in awe of You, Majesty  
All that I am, praise You Lord  
I stand in awe of You, Majesty  
I can never praise You enough

I can never (I can never) love You enough  
(Sing my song to You)  
I can never praise You enough  
I can never love You enough  
I can never sing for You enough

I can never praise You enough  
I can never praise You enough  
I can never praise You enough  
I can never praise You enough

Lift up your voice, say "Thank you, Jesus"  
(Ooh, ooh, ooh, ooh)  
I can never love You enough  
(Never, never, never, never, never, never, never, never)  
Never praise You enough (Sing enough)  
Can never thank You enough (Dance enough)  
Can never sing enough (Shout enough)  
Can never love you enough (Hey, hey)  
Can never thank You enough (I can never love You enough)  
Can never love You enough (I can never praise You enough)

Lift your voice, say

I can never praise You enough  
I can never praise You enough  
I can never praise You enough

I stand in awe of You, majesty  
All that I am, praise You lord  
I stand in awe of You, majesty  
I can never praise You enough  
Ebiere, put your hands together for her
