

## Jesus Is Alive

**Sinach**

What a miracle it is  
That Jesus is alive  
Lifting holy hands to him  
Am a witness that he lives  
That same spirit  
That raised him from the dead  
That same spirit  
Is alive in me forever

Jesus is alive  
The tomb is empty hallelujah  
Death could not hold him down  
My heart is full  
He lives in me

Death could not hold him down  
Failure can't hold  
Nothing can hold you down  
Hallelujah
