

More Than Enough

Sinach

You are my shepherd
You are my guide
You are the Lord of my life
You are my King
You are my increase
You are my song
You are my increase
You are my song

Oh Jesus, Jesus
You are, You are
Oh Jesus, Jesus
You are, You are
You are more than enough
I worship you today
You are more than enough
I worship you today

You are the potter
I am the clay
You are the strength of my life
You are my peace
You are my helper
You are my God
You are my helper
You are my God
