

# No One Knows

Sinach

From the rising of the sun, till it's going down  
Your faithfullness is sure  
Your mercies ever new

No one knows  
Like I know  
What you've done for me  
That's why I praise you the way I do

Your favour surrounds me like a shield  
Your love amazes me  
Your grace has lifted me

No one knows  
Like I know  
What you've done for me  
That's why I praise you the way I do

I sing  
I dance  
I shout for Joy  
Lord I'm grateful

No one knows  
Like I know  
What you've done for me  
That's why I praise you the way I do
