

See What

Sinach

Are you ready?
Let's go!
Let's give Him praise

Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me

He's supplies all my needs
Mighty friend that gave me a new song to sing
Oh, come and dance with me
See what the Lord has done
He's supplies all my needs
Mighty friend that gave me a new song to sing
Oh, come and dance with me
See what the Lord has done

Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me
Oh, oh, oh, see what the Lord has done for me

He's supplies all my needs
Mighty friend that gave me a new song to sing
Oh, come and dance with me
See what the Lord has done

I will not hold my praise
Celebrate for all You've done
I give You praise
I will not hold my praise
Celebrate for all You've done
I give You praise
I will not hold my praise
Celebrate for all You've done
I give You praise

I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
I give You praise, I give You praise
