

# The Reason

Sinach

For salvation lord you came  
For healing lord you came  
For prosperity you came  
I'm the reason why you came

For salvation lord you came  
For healing lord you came  
For prosperity you came  
I'm the reason why you came

I shout it loud from the mountain top  
So the whole wide world will know  
I shout it loud from the mountain top  
The good news everywhere  
Glory in the highest  
Jesus is here  
Glory in the highest  
Jesus is here

For peace of mind you came  
For deliverance you came  
For liberty you came  
I'm the reason why you came

For peace of mind you came  
For deliverance you came  
For liberty you came  
I'm the reason why you came

I shout it loud from the mountain top  
So the whole wide world will know  
I shout it loud from the mountain top  
The good news everywhere  
Glory in the highest  
Jesus is here  
Glory in the highest  
Jesus is here

I shout it loud from the mountain top  
So the whole wide world will know  
I shout it loud from the mountain top  
The good news everywhere  
Glory in the highest  
Jesus is here  
Glory in the highest  
Jesus is here  
Glory in the highest  
Jesus is here  
Glory in the highest  
Jesus is here
