

There's An Overflow

Sinach

There's an outpouring of abundance
New doors have been opened
The land, it is green
A new grace has been released

The glory of the latter is greater than the former
Blessing is here, is all here
The glory of the latter is greater than the former
Blessing is here, is all here

There's an overflow, abundance of favour
It's a new level, it's a new level
There's an overflow, abundance of blessing
I've taken over, I've taken over

I see the nations come to me
They receive answers from my lips
I am shining as a house on a hill
My greatness cannot be hidden

It's beyond my wildest dreams, what the Lord is doing
It's my reality, our reality
It's beyond our wildest dreams, what the Lord is doing
It's my reality, my reality

There's an overflow, abundance of favour
It's a new level, it's a new level
There's an overflow, abundance of blessing
We're taken over, I've taken over

Walking in abundance, moving with the speed
Of the Holy Ghost, I am favoured
Walking in abundance, moving with the speed
Of the Holy Ghost, I am favoured
Walking in abundance, moving with the speed
Of the Holy Ghost, I am favoured
Walking in abundance, moving with the speed
Of the Holy Ghost, I am favoured

It's a new level
It's a new level
It's a new level
It's a new level
It's a new level
It's a new level
It's a new level
It's a new level
It's a new level

I'm taken over
I'm taken over
I'm taken over
I'm taken over
It's a new level
It's a new level
It's a new level
It's a new level
