

There's An Overflow

Sinach

Are you ready to prophecy?
Give somebody a high five, come on

There is an outpouring of abundance
New doors have been opened
The land, it is green
New grace has been released

The glory of the latter is greater than the former
The blessing is here, it's all here
The glory of the latter is greater than the former
The blessing is here, all here

There's an overflow, abundance of favour
It's a new level, it's a new level
There's an overflow, abundance of blessing
I've taken over, I've taken over

Somebody wave your hands
Over your family, over your education
Over your finances, come on

I see the nations come to me
They receive answers from my lips
I am shining as a house on a hill
My greatness cannot be hidden
I see the nations come to me
They receive answers from my lips
I am shining as a house on a hill
My greatness cannot be hidden

It's beyond my wildest dreams
What the Lord is doing, my reality, my reality
It's beyond my wildest dreams
What the Lord is doing, my reality, my reality

There's an overflow, abundance of favour
It's a new level, it's a new level
There's an overflow, abundance of blessing
I've taken over, I've taken over
There's an overflow, abundance of favour
It's a new level, it's a new level
There's an overflow, abundance of blessing
I've taken over, I've taken over

Walking in abundance
Moving with the speed of the Holy Ghost
I am favoured
Walking in abundance
Moving with the speed of the Holy Ghost
I am favoured
Walking in abundance
Moving with the speed of the Holy Ghost
I am favoured
Walking in abundance
Moving with the speed of the Holy Ghost
I am favoured

Walking in abundance
Moving with the speed of the Holy Ghost
I am favoured

Moving with the speed of the Holy Ghost
I am favoured
