

Unchanging God

Sinach

Unchanging God
Yeah, oh, yeah, oh, oh
Faithful God, Mighty God, oh, oh, oh

Though the world may fail
God will never fail, He is our rock
Though the ground is sinking sand
On Christ the rock, I stand
From everlasting to everlasting
Your Word remains the same

Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me

Though the world may fail
God will never fail, He is my rock
Though the ground is sinking sand
On Christ the rock, I stand
From everlasting to everlasting
Your Word remains the same

Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me
Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me

Oh, oh, oh, Lord, You are faithful
Oh, oh, You're faithful 'til the end
Oh, oh, oh, Lord, You are faithful
Oh, oh, You're faithful 'til the end
Oh, oh, oh, Lord, You are faithful
Oh, oh, You're faithful 'til the end
Oh, oh, oh, Lord, You are faithful
Oh, oh, You're faithful 'til the end

Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me
Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me
(Lift up your hands, come on)
Unchanging God, that is who You are
Ever faithful, never failing
Unchanging God, that is who You are
Ever faithful to me

Unchanging God, that is who You are
Ever faithful, never failing

Unchanging God, that is who You are
Ever faithful to me
(Hallelujah, Hallelujah, T Sharp!)
