

# Waymaker

Sinach

And you are here  
Moving in our midst  
Lift your voice, say  
I worship you  
I worship you  
Rearranging destiny  
I worship you  
I worship you  
You are here  
A torch in every storm  
(Worship you, yes we do God)  
I worship you  
I worship you  
You are here  
Rearranging destiny  
I worship you  
I worship you

Waymaker  
Miracle worker  
Promise keeper  
Light in the darkness  
My God  
That is who You are  
Waymaker  
Hallelujah  
Miracle worker  
Miracle worker  
Light in the darkness

He wipes away all tears  
He mends a broken heart  
He has an answer to it all  
What's His name  
Jesus  
He wipes away

Waymaker  
Miracle worker  
Promise keeper  
Hallelujah, Hallelujah  
Light in the darkness  
Waymaker  
Hallelujah  
Miracle worker  
Promise keeper  
My God  
That is who You are

That is who You are  
Miracle worker  
Hallelujah  
That is who you are  
That is who you are  
Say, that is who you are  
That is who you are  
Say, that is who you are

That is who you are  
That is who you are  
That is who you are

Hallelujah, hallelujah  
Hallelujah  
Hallelujah, hallelujah  
Hallelujah, hallelujah

Waymaker  
Miracle worker  
Promise keeper  
Hallelujah, Hallelujah  
Light in the darkness  
Waymaker  
Hallelujah  
Miracle worker  
Promise keeper  
That is who You are
