

We Bow Down

Sinach

We bow down
And we worship
Only You are God
We place no one before You
We bow down
Lord we worship You
Only You are God
We place no one before You

We bow down
We worship
Only You are God
We place no one before You
We bow down
And we worship
Only You are God
We place no one before You

Heaven and earth will pass away
You are God forevermore
Your word remains the same
You were there before creation
The ancient of days
You'll reign forevermore
I've seen You're great
Jesus, Jesus

We bow down
We worship
Only You are God
We place no one before You
We bow down
We worship
Only You are God
We place no one before You

Heaven and earth will pass away
Kingdoms and kingdoms go
Your word will remain the same
You were there before creation
The ancient of days
You'll reign Jesus forevermore
I've seen You're great
Jesus, Jesus

We bow down
We worship
Only You are God
We place no one before You
We bow down
We worship
Only You are God
We place no one before You

Every time in heaven and all Creation sing
We adore you, we adore you
Every time in heaven and all Creation sing

We adore you, we adore you

Every time in heaven and all Creation sing
We adore you, we adore you
Every time in heaven and all Creation sing
We adore you, we adore you
Every time in heaven and all Creation sing
We adore you, we adore you
Every time in heaven and all Creation sing
We adore you, we adore you

We adore you, we adore you
We adore you, we adore you
We adore you, we adore you
We adore you, we adore you
We adore you, we adore you
We adore you
Lift your hands, we adore you Jesus
(We adore you)
Finally blessed and now
(We adore you)
We adore you, we adore you

We bow down
We worship
Only You are God
We place no one before You
We bow down
We worship
Only You are God
We place no one before You
