

We Prevail

Sinach

You're the hope that holds me, stronghold to shelter me
My great confident assurance, the only God for me
You're the hope that holds me, stronghold to shelter
My great confident assurance, the only God for me

I'm hidden in Your strength, oh Lord, my God, most high
Your hands of faithfulness keeps on shielding me
I'm hidden in your strength, oh Lord, my God, most high
Your hands of faithfulness keeps on shielding me

You are my hiding place, You are my hiding place
You are my hiding place, You are my hiding place

My salvation, You defend me
Your massive arms protect me, your word is my shield
My salvation, You defend me
Your massive arms protect me, your word is my shield

Triumphantly, I bring my offering of praise
Singing and shouting in glory and joy to You
Triumphantly, I bring my offering of praise
Singing and shouting in glory and joy to You

I have prevailed in You, I have prevailed in You
I have prevailed in You, I have prevailed in You

I have prevailed in You, I have prevailed in You
I have prevailed in You, I have prevailed in You

You are my hiding place, You hide me
I have prevailed, I have prevailed

I have prevailed in You, I have prevailed in You
I have prevailed in You, I have prevailed in You
