

# With My Hands

Sinach

Father, we give honor and glory to Your name  
And we choose to bless You for that  
We're joined together all over the world and we sing

With my hands lifted unto You  
And my voice singing aloud  
I bless, bless Your name  
With all of my heart  
With my hands lifted unto You  
And my voice singing aloud  
I bless, bless Your name  
With all of my heart

I adore Your name  
Precious Lord  
I adore Your name  
Precious Lord  
I adore Your name  
Precious Lord  
I adore Your name  
Precious Lord

With my hands lifted unto You  
And my voice singing aloud  
I bless, bless Your name  
With all of my heart  
With my hands lifted unto You  
And my voice singing aloud  
I bless, bless Your name  
With all of my heart

I adore Your name
