You Are The Same

Sinach

You are the same, yesterday, today, forever
Nobody is like You
You never change, yesterday, today, forever
Nobody loves me like You
You are the same, yesterday, today, forever
Nobody is like You
You never change, Lord, yesterday, today, forever
Nobody loves me like You

Say, I worship You, ooh, ooh
I worship You
I worship You
You are the living God
(Somebody wave your hands to Jesus!)
Hey, hey, hey, You are the living God

You are the same, yesterday, today, forever
(Nobody is like You) Nobody is like You
(Let me hear your voice, sing it to Him, You never change)
You never change, yesterday, today, forever
(Nobody loves me) Nobody loves me like You
(Tell Him one more time, You are the same)
You are the same, (Yesterday) yesterday, today, forever
