

Candle Wax

Sincere Engineer

The fire I played with ended up burning me
But I want it back cause I'm cold and bored and miss the heat
Now I'm feeling down cause the lights went out
And I've got candle wax all over my hands now

I shoulda saw it, I shoulda saw it
I shouda saw it coming
I shoulda saw it, I shoulda saw it
I shouda saw it coming
But I was just a kid
And I was dumber than I'd ever been

The fire I play with will end up killing me
Lying on my back, I'm on the floor and incomplete
Now I'm thinking about how the lights went out
I'm so drunk in love that I can't stand now

I shoulda saw it, I shoulda saw it
I shouda saw it coming
I shoulda saw it, I shoulda saw it
I shouda saw it coming
But I was just a kid
And I'm drunker than I've ever been

I guess I only like things that destroy me
Cause everything else seems so boring
You head for the door
You're the old familiar hangover
I'm gonna drink myself sick for

I shoulda saw it, I shoulda saw it
I shouda saw it coming
I shoulda saw it, I shoulda saw it
I shouda saw it coming

Hey, I'm so sorry
(I shoulda saw it, I shoulda saw it, I shoulda saw it coming)
Hey, I'm so sorry
(I shoulda saw it, I shoulda saw it, I shoulda saw it coming)
Hey, I'm so sorry
(I shoulda saw it, I shoulda saw it, I shoulda saw it coming)
Hey, I'm so sorry
(I shoulda saw it, I shoulda saw it, I shoulda saw it coming)
Hey, I'm so sorry about everything
