

Here's Your Two Dollars

Sincere Engineer

I was dreaming I was sleeping at the bottom of the lake
I watched the clouds roll in
And I saw my life flash before my eyes
But I can't remember it

I'm so exhausted
I just wanna go to bed
And have you singing me to sleep (singing me to sleep)
But you won't do that for me

I watch the clouds roll in
And you're not far
But you're so distant

I watch the clouds roll in
And you're not far
But you're so distant

I'm waking up
I'm rising up to the surface
And goddamn, I feel so nervous

I'm waking up
I'm rising up to the surface
And goddamn, I feel so nervous

I was dreaming I was sleeping behind the wheel
And we're not going anywhere
I watch the clouds roll in
And you're not far
But you're so distant
