

## Pain

## Sinch

Lie awake completely satisfied  
And let the sweat run through my hair  
Well I haven't felt this way in quite sometime  
When I look over you're not there

Pain  
I won't let you slip away  
No  
Everybody must begin somewhere

Everyone here knows this is killing me  
Man it tears the soul straight from my spine  
But in the end I guess the truth is shown  
That you won't ever really be mine

Pain  
I won't let you slip away  
No  
Everybody makes mistakes sometimes

Rain on my parade  
Rain on my pain  
Rain on my parade  
Rain on my parade

Sell me the fortune  
Tell me it's all mine lost in the commotion distracted we hide  
Embellish the moment cut  
And bleeding astound me with precision  
And kiss me good night

But I lie awake completely satisfied  
And let the sweat run through my hair  
Well I haven't felt this way in quite some time  
When I look over you're not there

Pain  
I won't let you slip away  
No  
Everybody makes mistakes sometimes

Rain on my pain  
Rain  
Rain on my parade  
Pain  
Pain
