

The Healing Room

Sinéad O'connor

I have a universe inside me
Where I can go, an spirit guides me
There I can ask oh any question
I get the answers if I listen

I have a healing room inside me
The loving healers there they feed me
They make me happy with their laughter
They kiss and tell me I'm their daughter
I'm their daughter

(Me love you lots of lots of lots)

You have a little voice inside you
It doesn't matter who you think you may be
You're not free if you don't know me

See I'm not the lie that lives outside you
And it doesn't matter what you think you believe
You're not free if you don't know me
If you don't know me

See I am the universe inside you
You come to me and I will guide you
And make you happy with my laughter
I joy in seeing you're my daughter
You're my daughter
So believe you're not free if you don't know me
if you don't know me
if you don't know me
if you don't know me
if you don't know me
if you don't know me
if you don't know
