## Single Mothers

A degree of calm  
Over the shoulder  
The whole thing will crumble  
Before this is over  
Unstably glazed  
And backed in a corner  
Love yourself first  
Only in that order

A light touch of your palm  
Glassy and iced and steady  
Slightly more withdrawn  
But statuesque and heavy

The integrity of  
A web of lies  
Starts to fail when  
Spread out too wide  
A reference point  
Too bold to hide  
A creature of habit, destruction can shine

Your perfect timing got inside me  
Like a germ that I took pride in  
But just help me figure this out  
Were we better off then or are we better off now?

Why so many questions?  
Just flow and don't overthink it  
Life is worth all the attention  
That you can possibly give it  
Lend your self the distinction  
Work to live, don't work to die  
Just harness all that energy and give yourself some time

Got the boy with the Arab strap playing in the back  
And that cat at the door looks like he'd rather be anywhere else  
And somewhere in that soup of lackluster independence  
I realized I lost a good deal of myself to you

The integrity of a web of lies  
Starts to fail when it's spread too wide  
There's a reference point too bold to hide  
A creature of habit, destruction can shine
