

# The Canonical Rights

Sinister

A canonical opinion  
The sacrament of death  
His work defined  
Written in filthy words

The approach of church  
Totally deranged  
A psychosomatic unity  
Of obedient saints

The canonical rights  
The canonical rights

Canonical rights  
Preserved to death  
Canonical rights  
They will regret

Canonical rights  
The script will fail  
Canonical rights  
A lucid tale

The realm of fairy tales  
Faithful to canonical rights  
Abuse of followers  
Molesting of clear minds

The approach of church  
Totally deranged  
A psychosomatic unity  
A feast of obedient saints
