## Magic

Hey-ho good old friend Let me ask today Tell her that her fire's ceasing me Teil he that 1'11 run her When being afraid, When Ionely troubles go my way 1 know there's nothing 1 could do The real Iove is true I'm gonna do the mjngs for her It was he~ I got her at my sight And faded all my fears In everything the light goes to Tell her that nothing has changed Take a dream with me, the feeling's so strange Oh I miss her, it was shocking wild The Iittle romance of my life She's magic, She is your magic Magic, She is your magic, oh

Hey-ho good old friend Come and close your eyes And see my magic girl when people run Maybe you tell her with a look of love I can't forget her I'm hungry for her Iove No, there's nothing l could do The real Iove is true I'm gonna do the minds further I'll run, I got her at my sight Running all the dreams And everything that I could do Sinner
