

## Requiem For A Sinner

Sinner

Screaming from the sky  
Gotta call for me to die  
Somebody's calling my name  
Silent wings will touch my faith

Crucified lies that hurts my deepest inner  
Death knocking at my door  
It's a requiem for a sinner

Something crawling deep inside me  
And baptized my pride  
Hear my silent heartbeat  
One step it's death or cheat

Can't stop the rage  
It's a requiem for a sinner
