i sing a song
you pass me by
and i am
shooting stars
in your direction
easy now 'cause
i am drifting
way too fast

i sing a song
it's maybe not the
kind that makes
you sad, i know
yet i sing along
but it's too late
you drove me mad
and now i'm lost
it's in your way
it's in your smile
i want to find out
who you are
it's innocent
but in a fleash
you stole my heart
and now i'm lost

it's in the way
at a glance
you struck me
like an avalanche
i've got it bad
but easy now
'cause i am always
drifting way too far

i wanna feel
wanna grab
wanna hold you
get to know you
need to find out
who you are
i sing a song
it's too late you
passed me by
and now i'm lost

i wanted to find out
i wanted to find out
i still want to find out
i wanted to find out
