

Bad Bad World

Sioen

I'm gonna shuffle ya feet
I'm gonna make you believe
That there's a devil in me
I'm gonna dance you to a bad, bad world
To a bad, bad world

Hey can you pick up the beat
Shut up and listen to me
I'll take you into the heat
I'm gonna dance you to a bad, bad world
To a bad, bad world

This scene is gonna explode
You're spinning outta control
Hey, are you ready to go?
We're gonna march you to a bad, bad world
To a bad, bad world

You gotta give up the ghost
You gotta look out below
Darling my demons are close
We're gonna march you to a bad, bad world
To a bad, bad world

This is bad love, baby bad love,
Maybe we should talk
Maybe we should walk
We should talk, talk it over

This is bad luck, crazy bad luck,
Maybe we should talk
Maybe we should walk
We should talk, talk it over

I know, I know, I know
I'm gonna get ya, get ya
I know, I know, I know
(2x)

I'm gonna shuffle the beat
I'm gonna make it believe
That there's an evil in me
I'm gonna push it to a bad, bad world
To a bad, bad world

So come on pick up your feet
Kick all your sins to the street
Rise up right off of your seat
We're gonna break into a bad, bad world
To a bad, bad world

This is bad love, baby bad love,
Maybe we should talk
Maybe we should walk
We should talk, talk it over

This is bad luck, crazy bad luck,

Maybe we should talk
Maybe we should walk
We should talk, talk it over

I know, I know, I know
I'm gonna get ya, get ya
I know, I know, I know
(2x)

This is bad love, baby bad love,
Maybe we should talk
Maybe we should walk
We should talk, talk it over

This is bad luck, crazy bad luck,
Maybe we should talk
Maybe we should f*ck
We should talk, talk it over

I know, I know, I know
I'm gonna get ya, get ya
I know, I know, I know
(2x)

Bad, bad world
Bad, bad world
Bad, bad world
