

I'm Not Ready to Love You Like I Do

Sioen

One two three four,

I don't want to move to Tokio
You don't want to see that video
I don't want to go to sleep
And you don't want a house to keep
Maybe I just want to say

I'm not to ready to love you like I do
(I'm not ready)
I'm not ready for you to love me too
(I'm not ready)

I don't want to go and buy some clothes
You want me to turn down the Ramones
I don't want to go to dance,
And you don't want to miss a chance
To quote the words I once said

I'm not to ready to love you like I do
(I'm not ready)
I'm not ready for you to love me too
(I'm not ready)

Well I think that you're not ready too
(You're not ready too)
Ooh, to love me like I do (love you)

I can't do without the sex
And you don't want to meet my ex
I don't want to walk the dog
And if you do it will piss me off
I'll think I'll take a walk around the block

You keep asking what I'm thinking about,
And every time you think I shut you out
What do you want me to say?
What do you want me to say?
What the hell do you want me to say?

I'm not to ready to love you like I do
(I'm not ready)
I'm not ready for you to love me too
(I'm not ready)

Well I think the best thing I can do,
Is to love you like I do
To love you like I do, like I do, like I do
Love you, love you, love you
