

Tell me the name of the comedy show that we used to watch  
Cause that is the only memory I can think about not losing it a  
ll

Are you still afraid that I would spoil her? And you'd be sitt  
ng there like a fool

Oh, you don't need to...

I didn't watch the new episode to watch it with you (Hahahaha,  
fuck)

No way, tell me this is just a part

Of a comedy TV-show or a prank

You told me (yeah) that we'll only have to laugh

My eyes are sweating in regret, so please explain

Ooh, ooh-ooh

Ooh, ooh-ooh-ooh

Just cut the head and put it on a wall, like a hunted deer

And maybe one day you will sell it away to a puppeteer

He'll make me a puppet for a comedy show

Kids will love my scent

But they will not notice that everything they smell is a piece  
of broken love

No way, tell me this is just a part

Of a comedy TV-show or a prank

You told me (yeah) that we'll only have to laugh

My eyes are sweating in regret, so please explain

Oops, I did it again

If they don't let me play, they all go away

Hey, we're friends 'til the end

Be mine or it ends

You just can't keep a good guy down
