## **Cities In Dust**

## Siouxsie and the Banshees

Water was running, children were running You were running out of time Under the mountain, a golden fountain Were you praying at the Lares' shrine? But oh, your city lies in dust, my friend But oh, your city lies in dust, my friend

We found you hiding, we found you lying Choking on the dirt and sand Your former glories and all the stories Dragged and washed with eager hands But oh, your city lies in dust, my friend But oh, your city lies in dust, my friend Your city lies in dust

Water was running, children were running We found you hiding, we found you lying Water was running, children were running We found you hiding, we found you lying Your city lies in dust, my friend But oh, your city lies in dust, my friend

Hot and burning in your nostrils
Pouring down your gaping mouth
Your molten bodies, blanket of cinders
Caught in the throes
And oh, your city lies in dust, my friend
Your city lies in dust, my friend
Oh, your city lies in dust, my friend
Oh, your city lies in dust, my friend
Oh, your city lies in dust, my friend...
