

## Congo Conga

Siouxsie and the Banshees

Six foot high in the sky  
Jive and jibe the Watutsi tribe

Watch the conga eel push,  
Squeeze in deadly steel  
His next Congo meal

Carramba, carramba, to the Congo Conga  
We can do the can-can to the Congo Conga

Bow down to the Mau Mau  
Whilst humming the Congo Conga  
Now we say "meow!" to the nasty Mau Mau

Deep in the heart of this quagmire  
Dance the Congo Conga  
Vipers of Zaire  
Raised heads and shook their fears

Carramba, carramba, to the Congo Conga  
We can do the can-can to the Congo Conga

Six foot high in the sky  
Jive and jibe the Watutsi tribe  
Please don't cry Watutsi tribe  
You're still high up in the sky!

We can do the can-can  
to the Congo Conga
