

## Love In A Void

Siouxsie and the Banshees

Too many fools blocking my motion  
Clouding my eyes must be the potion  
Spots on my eyes must be the lotion  
Love in a void, it's so numb  
Avoid in love, it's so dumb  
Love in a void

Too many bigots for my liking  
Too many critics, too few writing  
Rabid dogs that aren't biting

Love in a void, it's so numb  
Avoid in love, it's so dumb  
Love in a void

Jaded reputation on which you're staking  
Lots of money for the making  
For all the stars they're just faking

Love in a void, it's so numb  
Avoid in love, it's so dumb  
Love in a void
