

# Sin In My Heart

Siouxsie and the Banshees

Sin in my heart  
Sin in my heart...  
Sin in my heart flying like a dart  
Oh sin in my heart

It's beginning to start...  
When you're lying like a tart  
Oh sin in my heart  
When you grovel at my feet  
Oh sin in my heart  
It's short and sweet

Sin in my heart...  
Swift as a dart sin in my heart  
Oh sin in my heart

When you grovel at my feet  
Keep it short and sweet  
Sin in my heart...
