

## So Unreal

Siouxsie and the Banshees

What can I do - I know they've gotten to you  
When you say that  
your whites  
Have an aerial blue  
What's happened to you - since I last say you  
I thought I knew  
your name - but it's not you but it's not you

You're talking in a balloon  
In this tidy room  
Sounding like a commercial  
For a serial  
I wish you could feel the way that I feel  
I wish you could feel  
but your so unreal your so unreal

What can I say - what can I say  
All the traits you had have all gone away  
get up and wash at the  
right time of day and greet the world with the right thing to  
say

You're so ideal - you're never down at heel  
you're so ideal - but you're so unreal  
I wish you could feel - the way that I feel  
I wish you could feel - but you're so unreal  
you're so unreal
