## This Wheel's On Fire

## Siouxsie and the Banshees

If your memory serves you well We were gonna meet again and wait So I'm goin' to unpack all my things And sit before it gets too late

No man alive will come to you With another tale to tell But you know that we shall meet again If your memory serves you well

This wheel's on fire Rolling down the road Best notify my next of kin This wheel shall explode

If your memory serves you well I was gonna confiscate your lace And wrap it up in a sailor's knot And hide it in your case

If I knew for sure that it was yours But it was oh so hard to tell And you know that we shall meet again If your memory serves you well

This wheel's on fire Rolling down the road Best notify my next of kin This wheel shall explode

If your memory serves you well You'll remember that you're the one That called on me to call on them To give you your favors done

And after every plan had failed And there was nothing more to tell You knew that we would meet again If your memory served you well

This wheel's on fire Rolling down the road Best notify my next of kin This wheel shall explode

If your memory serves you well If your memory serves you well
