

Center

Sir Chloe

Cherry flavor on a stick
Heart made for me to lick
Try to get to the center
Try to get to the center

Offer you a taste
Sweet and red on a plate
Try to get to the center
Try to get to the center

For you
If you want me to
I would chew right through

I don't choose
Thought I was patient, but I bit right through
I could never get enough of you
I could never get enough of you
I don't lose
I like a challenge when the prize is you
Try my hardest if you ask me to
I could never get enough of you

Itching for a fix
Habit I'll never kick
Cherry-flavored surrender
Cherry-flavored surrender

Careful with the rest
Try not to make a mess
As I get to the center
As I get to the center

For you
If you want me to
I would chew right through

I don't choose
Thought I was patient, but I bit right through
I could never get enough of you
I could never get enough of you
I don't lose
I like a challenge when the prize is you
Try my hardest if you ask me to
I could never get enough of you

I don't choose
Thought I was patient, but I bit right through
I could never get enough of you
I could never get enough of you
I don't lose
I like a challenge when the prize is you
Try my hardest if you ask me to
I could never get enough of you
