

## Over Again

Sir Chloe

Never easy, is it  
Gonna, gonna  
Resuscitate it  
Wanna, wanna  
Only a feeling  
I know, I know  
Only a feeling

Over, over, again  
Only for the fun of it  
Ask you before I forget  
Are you buying into it?  
I just wanna be your man  
Are you buying into it?

Finance the evening  
Wanna, wanna  
Dig through my pocket  
For ya, for ya  
Anticipating  
You're always leaving

Over, over again  
Only for the fun of it  
Ask you before I forget  
Are you buying into it?  
I just wanna be your man  
Are you buying into it?

Over, over again  
Only for the fun of it  
Ask you before I forget  
Are you buying into it?  
I just wanna be your man  
Are you buying into it?
