Should I

Sir Chloe

You called, I answered
Open the door, I enter
The glow, the candor
A feeling like no other

If I had waited, nothing would have happened
Nothing would have gone the way I wanted
If I had waited, nothing would have happened
Nothing would have gone the way I wanted

I wanna climb inside
Be someone impolite
Wanna eat you alive
Should I, should I, should I?
Should I?

I answer
To words I won't remember
The slow surrender
A feeling like no other

If I had waited, nothing would have happened
Nothing would have gone the way I wanted
If I had waited, nothing would have happened
Nothing would have gone the way I wanted

I wanna climb inside
Be someone impolite
Wanna eat you alive
Should I, should I, should I?
Should I?

I wanna climb inside
Be someone impolite
Wanna eat you alive
Should I, should I, should I?
Should I?
