

Wrath

Sir Chloe

I'd rather stay mad, rather stay mad
I took a bath couldn't drown my wrath
It's alright to be mad

I tried to be complacent for a while
It got hard to crack a smile

I'd rather stay mad, rather stay mad
I took a bath couldn't drown my wrath
It's alright to be mad

I got something, I got something
Better than all that

I got something, I got something
Better than all that

I'd rather stay mad, rather stay mad
I took a bath couldn't drown my wrath
It's alright to be mad

I'd rather stay mad, rather stay mad
I took a bath couldn't drown my wrath
It's alright to be mad
