

## Banco Populair

Sir Michael Rocks

Call me Banco Populair or Sir Michael the builder  
I'm eatin' grilled grouper off the grill with (Grizelda?)  
That Porsche truck gold like the legend of Zelda  
If you actin' hard as metal then my niggas'll weld ya  
Boldy say go bad guy on 'em Rocko  
These niggas sockholes, you a giant, colossal  
Who the livest posse? Cliquot clique and Moet mob  
Top notch Nautica nice guys, we set bars  
We at the wet bar, no cash just cards  
You tatted up but you can still get yo chest scarred  
The SLR, bless this car  
And the man that be whipping that left hand  
Be grippin' the mahogany wheel, right hand be giving orders  
Tell the waitress to bring over my lemon waters  
Kinda parched baby girl  
I been ballin' like a sportin' event cause rap supportin' the r  
ent  
With endorsements from your favorite clothing lines and shit  
Gets way deeper, beige Jeep and Aston capricorn captain  
You know I'm gon' be flashing on these niggas, man  
Bigger fish to fry so I'm gon' probably need a bigger pan  
Saw the bigger picture, Brandon Jennings money, switching hands

I feel like I'm (channeling?) things I can't even explain  
Opportunity knocked, it called and it rang  
And for a couple other niggas it was happenin' the same  
My eyes closed on you hoes jackin' that slang  
Wanna be the hottest but you lackin' that flame  
I work niggas like I'm Jack Lalanne  
Ay you I birth niggas, birth niggas' styles and things  
Change, and run up if you think it's just a game  
Yo the stars in alignment and the timing was perfect  
4 figure coat but he wonder was it worth  
Most niggas know the answer and the purpose  
I'm the clothes copper, Call your bitch up, tell her let's go s  
hoppin'  
The Polo coppin' lot of new knowledge from the old doctrine  
Jeweler man pass a good rock but he's no Stockton  
The Rolex wrist watch, weed store, six options  
Decisions, decisions, white widow or the granddaddy  
Komodo dragon in the basement  
Lion head fish from Indonesia in my fish tank  
I served 'em up while I Bill Goldberged the blunt  
Ultimate Warrior the weed I'm smoking like Rasheed... Wallace d
