

Fun

Sir Sly

I'm a dreamer stuck in the real world
It's not an ideal world
Ashamed I flew out of bed from the things I've done
I'm a bleeding heart stuck in a cold world
A harsh and unknown world
Afraid of who I am and what I might become

I don't wanna wake up, I just wanna fall in love
So let me dream if I want; it's not gonna hurt no one
I don't wanna grow up, I just wanna stay this young
See the world if I want; it's not gonna hurt no one
So let me have my fun

I'm a lover having a hard time
Walking a thin line
Between the life I want and the one I live
I'm a dreamer stuck in a nightmare
I know that it's not fair
That I dragged you into this mess that I made again

I don't wanna wake up, I just wanna fall in love
So let me dream if I want; it's not gonna hurt no one
I don't wanna grow up, I just wanna stay this young
See the world if I want; it's not gonna hurt no one
So let me have my fun

I don't wanna wake up, I just wanna fall in love
So let me dream if I want; it's not gonna hurt no one
I don't wanna grow up, I just wanna stay this young
See the world if I want; it's not gonna hurt no one
So let me have my fun

Let me have my fun
God knows I need it
The past six months, when I fall asleep
Every night, you're in my dreams
You're waving goodbye, too far away to touch
I'm a lover fresh out of luck
