

Crying on the beach
Reciting straight from 3
Exciting just to be
And be endlessly

Nothing's in reach
God described in T
I text to say I'm sorry
Cuz I'm sorry

I'm sorry, endlessly sorry

How could I make it up?
Slate isn't blank enough
I was trying to control
Things out of my control
Things only God can know

How'd I get this way?
All these dumb mistakes
I text to say I'm sorry
Cuz I'm sorry

Yeah I'm sorry
And thank you for loving me
