

No Evil

SiR

Ayy, ooh, ayy, ooh
Ayy, ooh, ayy, ooh
Ayy, ooh, ayy, ooh
Ah, ah, ah

What's your superpower?
Show me what you're made of
I been lonely for days and days
But we're one and the same
Pardon my superstition
But with my supervision
I see so much of myself
My past, my pain, my pride and my ego (Han, han, han, han)

But I see no evil
I see no evil
I see another reason for me to believe in the hero

Can you breathe underwater?
Should I dive any deeper?
What's the name you want me to call you whenever I need you?
Are you here to get even?
Must be here for a reason
No point in tellin' the truth when you're bulletproof
And nobody cares to believe you (Han, han, han, han)

But, baby, I see you
And I see no evil (I see no evil)
I see another reason for me to believe in the hero

Watch 'em switch up
No one rollin' with you, yeah
New position, move too fast, you gon' miss it, yeah
Intermission is over once you hit the light ('Ight, 'ight, 'ight,
t, 'ight)
