Teach Me

SiR

Ooh, Miss Mordern-Day Classic
In your black and red glasses
Paintin' your silhouette
Ooh, take me to the opera
Take me even further
Teach me to live with no regrets
Teach me to love with no remorse

Teach me, teach me
Ooh, teach me (Oh, oh)

See the world's got the wrong idea about true love
But you can teach me
Teach me (Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)

See this rocket's already in flight
And I'm enjoyin' the ride
Sittin' back, playin' it cool
I can be the help that you don't need
Since you put your trust in me (Ooh, ooh, ooh)
I just wanna learn
I just wanna learn from you, ooh, ooh woah, oh

Teach me (Oh, oh, ooh woah) teach me
Ooh, teach me (Oh, oh)

See the world's got the wrong idea about true love
But you can teach me
Teach me (Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
(Oh, oh, oh, oh, ooh woah)
