

## Auld Lang Syne

Sissel

Should auld acquaintance be forgot  
And never brought to mind?  
Should auld acquaintance be forgot  
And auld lang syne?

R:

For auld lang syne, my dear  
For auld lang syne  
We'll take a cup of kindness yet  
For days auld lang syne

We twa hae run about the braes  
And pou'd the gowans fine meaning [pulled daisies]  
But we've wander'd mony a weary fitt [foot]  
Sin' auld lang syne. [long ago]

R...

We twa hae paidl'd in the burn  
Frae morning sun till dine meaning: dinner time  
But seas between us braid hae roar'd [broad]  
Sin' auld lang syne.

R...

And there's a hand, my trusty feire  
And gie's a hand o' thine  
And we'll tak a right gude-willie waught  
For auld lang syne.

R...

And surely ye'll be your pint-stowp  
And surely I'll be mine  
And we'll tak a cup o' kindness yet  
For auld lang syne.

R...
