

Don't Let Me Be Lonely Tonight

Sissel

Do me wrong, do me right
Tell me lies, but hold me tight
Save your goodbyes for the morning light
But don't let me be lonely tonight
Say goodbye and say hello
Sure enough good to see you
But it's time to go
Don't say yes, but please
Don't say no
I don't want to be lonely tonight
I don't want to be lonely tonight
Go away then, damn you
Go on and do as you please
You ain't gonna see me getting down on my knees
I'm undecided and your heart's been divided
You've been turning my world upside down
Do me wrong, do me right

Go on and tell me lies, but hold me tight
Save your goodbyes for the morning light
But don't let me be lonely tonight
Go away then, damn you
Go on and do as you please
You ain't gonna see me getting down on my knees
Cause I'm undecided and your heart's been divided
You've been turning my world upside down
Do me wrong, do me right
Go on and tell me lies, but hold me tight
Save your goodbyes for the morning light
But don't let me be lonely tonight
I don't want to be lonely tonight
