

Here, There And Everywhere

Sissel

Here, making each day of the year
Changing my life with a wave of your hand
Nobody can deny that there's something there.

There, running my hands through your hair
Both of us thinking how good it can be
Someone is speaking but he doesn't know she's there.

I want you everywhere
And if you beside me i know i need never care.
But to love you is to need you

Everywhere, knowing that love is to share
Each one believing that love never dies
Watching your eyes and hoping i'm always there.

I want you everywhere
And if you beside me i know i need never care.
But to love you is to need you

Everywhere, knowing that love is to share
Each one believing that love never dies
Watching your eyes and hoping i'm always there.

I will be there, and everywhere.
Here, there and everywhere.
