

## If You Love Me

Sissel

If the sun should tumble from the sky,  
if the sea should suddenly run dry  
If you love me, really love me,  
Let it happen I won't care

If a dream I fear should fall apart  
I can still be smiling with my heart  
If you love me, really love me,  
Let it happen darling I won't care

Shall I catch a shooting star,  
Shall I bring it where you are  
If you only say you care  
I can make a mountain fall  
I'll do anything at all  
As long as you are there

When at last my life on earth is through,  
I will share eternity with you  
If you love me, really love me,  
Let it happen darling I won't care
