Oblivion

Sissel

One stolen kiss from you
And the world I knew went away
And for ever would cease to be
All I had known before
Could exist no more
Only you and me
One look at you left my soul undone
and we drifted to oblivion

You overcome all my heart's defences
No past or future tenses
Live in the world within your arms
Who else could fill all my thoughts and senses?
You are the only one
Oblivion

How could I not have known
I am yours alone, my desire
That I'm destined to be with you
Yours for the rest of time
And the test of time
We will sail right through
One look at you left my soul undone
And we drifted to oblivion
Oblivion
