

Walk Away

Sissel

Walk away, please go
Before you throw your life away
A life that I could share for just a day
We should have met some years ago
For your sake I say
Walk away, just go
Walk away, and live
A life that's full
With no regret
Don't look back at me
Just try, try to forget
Why build a dream that cannot, that cannot come true?
So be strong, reach for the stars now

Walk away, walk on
If I heard your voice
I'd beg you stay
So don't say a word
Just run, run, run away
Goodbye my love
My tears will fall
Now that you've gone
I can't help but cry
But I, I must go on
I am sad that I've been searching
I've been searching so long
You, I love you, but I told you
Yes, I told you:
Walk away
Walk away
